NJ State School Nurses Association recognized Lyn Delio at their meeting on May 16th as a representative of Hunterdon County for nurses who make a difference.

She shared trends in enrollment for the 17/18 school year. The kindergarten program will decrease by one section due to a lower than expected enrollment. An influx of preschool students will result in the increase in preschool by one section. Going forward this may result in the kindergarten program increasing as the preschool students move up.

Air conditioning in the district. A long range plan exists to continue to install HVAC in the schools. In the short term, each building principal has a plan in place for extreme temperature days.

School visitation is scheduled for August 31st and will begin at noon with staggered start times. The schedule can be found on the district website along with Back to School night information.
